MEMORANDUM FOR: George Allen, SODC

FROM: Chief, House Liaison, Legislative Liaison Division

SUBJECT: Speeches by HPSCI/SSCI Staff Director Before the Senior Officer's Development Course

1. This is to notify you that I have been in touch with Messrs. Latimer and Simmons re your invitation to them to speak on Tuesday, 30 March, at 13:30 hours and 15:00 hours, respectively, before the Senior Officers Development Course on the subject of "Congressional Oversight". Both individuals have accepted the invitation to speak and have been made aware of the one hour and 15 minute time frame made available to them.

2. I personally will be present to escort both individuals and--with your permission--would like to sit through each presentation. Given my present position and the fact that I've worked in the "legislative" arena for the Agency for the past four years, I may be able to provide the class with an Agency perspective to the issues aired by the Hill staff.

3. Looking forward to meeting you on the 30th. Please advise as to room number.
